

HELLO, WE'RE

Cohnpair FAMILY

TO THE OWNERS OF

7136 Southwest 105 Court

The moment we saw the photos of your home we knew that it was exactly what we had been looking for all this time. It seemed warm, loving and inviting. We are very excited to go see it in person during the open house, but even without seeing it we wanted to make an offer. We are sure this is the house where we will feel at home and create lasting memories in.

The amazing upkeep and wonderful decor of the house is a statement of the pride and care you have put into it. Should our offer be accepted, we would be honored to live in it.

Sincerely, from our family to yours,

Yane, Alex, Peanut, Rosie & Daisy

About Us

We're a newlywed couple looking to start our married life in our perfect new home where we can make new memories and grow our family (which turns out it'll be sooner rather than later). Alex is a Firefighter for the City of Sunrise and he loves to garden and cook for his wife. Yane is an HR Director at a Finance Company. She spends her free time crafting and binge watching TV shows.

This is our little surprise! We found out we were pregnant about two weeks ago. We're excited to learn what it is to be parents and have a little peanut to spoil.

This is Rosie & Daisy. They love to hunt lizards in the backyard and long cuddle sessions on the couch.
