

Dear Sellers,

Thank you for the opportunity to make an offer on your beautiful home! We'd like to introduce ourselves and share a bit of our history with you. My name is David and I am the current Director of Bands at Arvida Middle School. My wife's name is Melissa and she is secretary for two spine surgeons at The University of Miami Hospital and Clinics. We are college sweethearts who are about to celebrate our 2nd wedding anniversary. We've been living in my parents' home for the past three years and feel that it is definitely time to branch out into a space of our own.

As a young couple, your home gives us the perfect space to grow and make everlasting memories. The home is beautifully renovated and very spacious. Currently, all of our family gatherings take place at my sister in law's house but having this home will provide us the opportunity to host our family and loved ones. We can already imagine having them over to enjoy a meal, prepared in your tastefully updated kitchen. We've viewed other homes in Snapper Creek and can appreciate all the work you've put towards personalizing yours. We would truly be honored to live in your home and greatly appreciate your consideration.

Sincerely,

David and Melissa Gonzalez
